SUBJECT: Phoenix Party

We are in the planning stage for the party in Phoenix on Friday April 3. Attached is a schedule of the proposed menu and wine selections (approved by D. Luginbuhl) for your review.

As with the party last year, the dinner will take place pool side on the west side of the complex. All decor and entertainment (soft listening music)will remain the same as in '92.

I have attached last years guest list with a copy of the invitation sent by you. Please review this list and let me know of any additions and or deletions for this years function.

Please let me know if you need any additional information or have any questions.
